EMBARK ON A JOURNEY.

Make New Friends in the Great Outdoors!

Campers discover their inner adventurer at Adventure Expeditions Camp! Designed with our older kids in mind, campers will learn a variety of **outdoor skills** and **try new things** on our one of a kind aerial adventure course, under the guidance of our specially trained and enthusiastic camp staff!

Zoom down our **Zip Line**, scream with excitement on our **Giant Swing**, test strength, courage, and endurance on our **Climbing Tower** and **High Ropes Course** and jump from the **Terrapin Flyer**!

Take the expedition to Patapsco Valley State Park to experience a night of **Tent Camping**! During their stay, campers will learn how to set up a tent, **cook over a fire, read a map**, and other important **survival skills**. Afterwards, enjoy **s'mores, songs**, and an exhilarating **night hike** led by our knowledgeable camp staff!

Test accuracy with a bow and arrow under the supervision of our archery instructor! Campers will receive one on one attention while learning the basics of **Archery** with a compound bow!

NEW THIS SUMMER! Campers learn how to safely aim with a slingshot under the instruction of our target sport specialists. Try your hand in our slingshotting range, using our high quality slingshots and safety gear.

Hit the trails for a challenging 12-mile round trip **Mountain Biking** adventure to Lake Elkhorn in Columbia, Maryland! Campers will learn how to use their gears to navigate the trail and enjoy lunch in front of the scenic lake.

To cool off from the summer heat, we will meet at Scott's Cove to paddle, turn, and stop our Kayaks while playing fun games on the reservoir! When we aren't **Kayaking**, the fun continues with **tie dye, slip'n sliding**, and a tasty picnic.

In addition to these adventurous activities, campers will also get to play **water games**, make **arts & crafts**, and so much more!

Cost: \$499
