or call our office at 301 725 1313.

Campers will make great friends while they try new things on our one of a kind aerial adventure course under the guidance of specially trained and enthusiastic camp staff!

Zoom down our **Zip Line**, scream with excitement on our **Giant Swing**, test strength, courage, and endurance on the **Climbing Tower** and **High Ropes Course**, and jump from the **Terrapin Flyer**!

In addition to these exciting challenges, campers experience a wide variety of specialized activities and trips!

Test accuracy with a bow and arrow under the supervision of our archery instructor. Receive one on one attention while learning the basics of **archery** with a compound bow!

NEW THIS SUMMER! Campers learn how to safely aim with a slingshot under the instruction of our target sport specialists. Try your hand in our slingshotting range, using our high quality slingshots and safety gear.

Junior campers (ages 8-10) will embark on a guided **Nature Hike**, to learn about the flora and fauna surrounding Historic Savage Mill! Afterwards, they will climb, traverse, crawl, and zip line through our **Terrapin Explorer course**!

Meanwhile, Senior campers (ages 10- 12) will hit the trails for a challenging 12 mile round trip **Mountain Biking** adventure to Lake Elkhorn in Columbia, Maryland! Campers will learn how to use their gears to navigate the trail and enjoy lunch in front of the scenic lake.

One night, campers stay the night at our facility and learn the basics of **fire safety, campfire cooking** , enjoy **s'mores**, and learn about constellations while **stargazing**!

To cool off from the summer sun, we will meet at Scott's Cove, pick up a paddle and learn the basics of flat water **kayaking**! Campers will learn how to paddle, turn, and stop their kayaks while playing fun **games** on the reservoir! When we aren't kayaking, the fun continues with **tie dye, slip'n sliding**, and a tasty picnic.

Adding to an already fun and jam packed week, campers will also get to make **arts & crafts**, go **hiking**, play **water games**, and so much more!
